

Committed to making a difference in our communities.

One student led a project to build a modular home—and haul it 1,200 miles—for an 80-year-old woman who had lost everything to Hurricane Katrina. Another used a lemonade stand and a website to raise \$16,000 to train diabetic alert dogs for children with Type 1 diabetes. A third campaigned to collect CDs and DVDs for U.S. soldiers overseas, resulting in over 200,000 discs shipped abroad.

These are just a few of the high school and middle school students honored in 2008 by the Prudential Spirit of Community Awards for outstanding volunteer service to their communities. Over the past 13 years, Prudential has recognized the achievements of more than 80,000 young volunteers at the local, state, and national level. This year's 10 National Honorees each receive \$5,000 and a \$5,000 grant for their chosen charity. Learn more about them at www.prudential.com/spirit.
